## **DOGFISH HEAD LIQUID TRUTH** | *India Pale Ale • 6.8% abv*

You can handle the truth! MYTH: IBUs (hop bitterness) can only be achieved in the boil. TRUTH: Uh-uh! From our continual hopping method found in our 60 Minute, 90 Minute and 120 Minute IPAs to our latest innovation of post-boil hop additions found in our Liquid Truth Serum! Our unique process involving pelletized, powdered, leaf and liquefied hops makes for a blissfully inefficient IPA that's truthfully hoppy without being deceptively bitter. You'll find the perfect match of citrusy and tropical notes, making for a zesty finish...honest - \$6.50

## 7 MAGNIFY ONE-OFF ROTATIONAL

Our local brewery is now making some of the best IPAs in the state. Visit us each week to see what new and exciting beer is on draft. Mostly IPAs, but a few surprises will linger here and there

## 8 THE "ONE-OFF" ROTATIONAL DRAFT

Here at the Cloverleaf, we ALWAYS have at least one draft that is very limited. We call these beers "one-off's" because we tap one barrel and when it's finished it's "off" the draft line. Ask your server which beer is our featured "one-off" of the day and enjoy a limited specialty craft beer.
